

Clerk's Report 7th August 2025

- 1) I received a request from Somerset Council for a CIL report which I have drafted and is an agenda item later.
- 2) I have now updated the website [Planning page](#) and will continue to maintain with new applications received.
- 3) The new policies as agreed at the last meeting have been published on the website [Policy page](#).
- 4) The website [Flooding and Severe Weather page](#) has been updated recently.
- 5) Lloyds banking signatories; This has still not been processed, but the good news is we do still have current signatories (PW and AWW). We do also seem to have some historical names on there as signatories that I discovered incidentally (I am unable to view all listed signatories for some unknown reason!). My second attempt at adding signatories has now expired unsuccessfully and I have held off trying again for now, due to the agenda item requesting a change of bank account.
