

Shepton Montague Parish Council

Clerk's Report 18th June 2026

1. Annual Parish Council Meeting in May:
Thank you to Patrick Pender-Cudlip for clerking this meeting in my absence at such short notice. I have yet to receive his invoice for this, but I have chased it up.
2. AGAR 2025-26:
The Accounting documents have now all been published on the website, with the Notice period for Public Rights altered to Monday 15th June – Monday 27th July. The reason for this is that I was delayed in getting the documents published. The Exemption Certificate has also been successfully submitted.
