

Book your Spring COVID-19 vaccine

The NHS is offering the COVID-19 vaccine this spring to people aged 75+, those with a weakened immune system (age 6 months +), and residents of care homes for older adults.

Housebound patients will be contacted by their GP or Somerset Foundation Trust Vaccination Team before 30 June to arrange a home vaccination.

**To book: Call 119 or visit
nhs.uk/get-vaccination**
