## WHISKY TASTING ON SUNDAY 23RD APRIL IN THE CHURCH

The plan for the evening is as follows:

1. Everyone assemble in the church for a brief introduction, followed by a "structured" sit-down tasting of 5 single-malt whiskeys. In parallel, for non-whisky drinkers, five gins.

There will be mineral water /tonic for diluting / palate-cleansing + crackers.

2. Then move across to the village hall where there will be the full range of both whiskies & gins set out, plus nibbles. The whisky will be arranged by region, with a location reference to a map on display. I've attached the updated list, but hope there will be more brought along on the day.

It would be really useful if you could let us know if you're intending to come so we have an idea of numbers.

At the end of the tasting you can make an offer on any remaining "favourite" bottles unless they're marked otherwise.

Hope to see you at 7 pm on Sunday.
